Dodd/Holden (OK's in Illinois) would like your phone #. Do you want me to give it to them?

Body Donovan, I need you to be on a conference call at 5. They need to vett you. I need you sober. That's mandatory to participate in DC. I understand, and honestly agree. They're weeding out yahoos. It's smart honestly. Wish they had vetted people before Louisville honestly. Be ready to impress. You're vetting with Dodd, so you will be talking with a great guy I trust. See you then. Roger?
